INFORMATION SHARING & ANALYSIS CENTER

*Tribal-ISAC is a 501(c)(3) nonprofit created for tribes, by tribes.*

## SPONSORSHIP INFORMATION PACKET

## About Tribal-ISAC

The Tribal-ISAC, a 501(c)(3) organization created for tribes by tribes, provides a safe and secure environment for the nation's federally recognized sovereign Tribal Nations to collaborate on cybersecurity threats, intelligence, and best practices. The Tribal-ISAC facilitates security information sharing among Native American tribes, their operations and enterprises, as well as Alaska Native communities, villages, and organizations. Through trusted collaboration and community engagement, Tribal-ISAC strengthens cybersecurity preparedness across tribal governments, enterprises, and organizations.

### Tribal-ISAC Objectives

- Sharing community security threat information and intelligence with tribes and tribal enterprises in a safe environment
  - Improving the cybersecurity posture of Tribal Nations
  - Providing education, resources, and collaboration opportunities to tribes and tribal enterprises
  - Coordinating with national ISAC partners and government agencies to strengthen resilience
- 

## Why Organizations Sponsor Tribal-ISAC

Sponsoring Tribal-ISAC reflects your organization's commitment to strengthening the cybersecurity resilience of sovereign tribal nations and tribal enterprises. Industry sponsors play a vital role in expanding the Tribal-ISAC community by supporting programs that foster cybersecurity collaboration and increases access to to cybersecurity resources and grant opportunities for tribes and tribal enterprises.

### Through your sponsorship, Tribal-ISAC can:

- Showcase your organization's commitment to tribal cybersecurity resilience
- Strengthen cybersecurity collaboration across tribes and tribal enterprises
- Support education and knowledge sharing within the tribal technology community
- Build visibility with tribal technology and cybersecurity leaders across tribes and tribal enterprises

# Tribal-ISAC Cornerstone Sponsor

\$30,000 Annual Investment

Cornerstone Sponsors serve as **foundational supporters** of the Tribal-ISAC mission, helping expand participation across Tribal Nations while receiving the highest level of visibility across Tribal-ISAC programs, communications, and events. This sponsorship level supports cybersecurity collaboration across federally recognized sovereign Tribal Nations while providing year-round engagement within the tribal technology community.

All Tribal-ISAC sponsorships are offered on a **twelve (12) month term** beginning upon sponsorship activation. All sponsorship benefits must be used within the applicable sponsorship term. Each sponsorship tier has limited availability to preserve the value, visibility, and engagement opportunities for participating sponsors.

## Tribal Community Impact

- Sponsor a Tribal-ISAC All-In Membership for a tribe (up to 20 participants), enabling broad organizational access to cybersecurity resources, collaboration, and shared intelligence

## Educational Programming & Thought Leadership

- Three educational programming opportunities hosted annually by Tribal-ISAC
- Programming formats will include a mix of webinars, podcasts and Q&A session, designed to share strategic insights, real-world perspectives, and leading practices
- Invitations extended to Tribal-ISAC and Tribal-Hub communities at a minimum

## Member Communications & Publications

- Featured recognition in Tribal-ISAC's monthly NATIVE, CHIEF, and PassItOn! threat intelligence reports, reaching an engaged Tribal-ISAC member audience
- Dedicated Tribal-ISAC annual e-blast, recognizing your organization's support and sharing insights that contribute to strengthening cybersecurity across Tribal Nations
- Access to *The Pulse: The State of Cybersecurity Within Tribal Nations* annual report (member-exclusive)

## Member Meeting Visibility

- Agenda recognition during Tribal-ISAC monthly members' meetings, highlighting your organization's ongoing support
- Sponsor logo included in on-screen recognition during Tribal-ISAC monthly members' meetings, ensuring consistent visibility to attending members

## Website & Digital Visibility

- Company logo placement on the Tribal-ISAC website, recognizing your support of the mission
- Digital banner ad placement on the Tribal-ISAC website, increasing visibility to Tribal-ISAC members
- Digital banner ad placement on the TribalHub website, extending visibility across the broader tribal technology community

## Tribal-ISAC Community Engagement

- Quarterly posts on the Tribal-ISAC Community Discussion Board (exclusive), supporting awareness and engagement with members
- Quarterly social media recognition (exclusive), highlighting your organization's support of Tribal-ISAC

## Events & Recognition

- Recognition signage at the TribalHub Cybersecurity Summit and the TribalNet Conference & Tradeshow
- Recognition at select events throughout the sponsorship period where Tribal-ISAC is represented or participating

## Golf Event Sponsorship Credit

- \$5,000 sponsorship credit toward each Tribal-ISAC golf event (two events annually, up to \$10,000 total)
- Highest priority for golf sponsorship selection

# Tribal-ISAC Pillar Sponsor

\$18,000 Annual Investment

Pillar Sponsors serve as **strategic partners** of the Tribal-ISAC, providing core support for programs and member engagement across Tribal Nations while receiving consistent year-round visibility across Tribal-ISAC communications and initiatives.

All Tribal-ISAC sponsorships are offered on a **twelve (12) month term** beginning upon sponsorship activation. All sponsorship benefits must be used within the applicable sponsorship term. Each sponsorship tier has limited availability to preserve the value, visibility, and engagement opportunities for participating sponsors.

## Tribal Community Impact

- Sponsor a Tribal-ISAC group membership for a tribe (up to four participants), expanding team-based access to cybersecurity resources, collaboration, and shared intelligence

## Educational Programming & Thought Leadership

- Two educational programming opportunities hosted annually by Tribal-ISAC
- Programming formats include one podcast and one live Q&A session, designed to share practical insights and real-world perspectives
- Invitations extended to Tribal-ISAC and Tribal-Hub communities at a minimum

## Member Communications & Publications

- Featured recognition in Tribal-ISAC's monthly NATIVE, CHIEF, and PassItOn! threat intelligence reports, reaching an engaged Tribal-ISAC member audience
- Dedicated Tribal-ISAC annual e-blast, recognizing your organization's support and sharing insights that contribute to strengthening cybersecurity across Tribal Nations
- Access to *The Pulse: The State of Cybersecurity Within Tribal Nations* annual report (member-exclusive)

## Member Meeting Visibility

- Agenda recognition during Tribal-ISAC monthly members' meetings, highlighting your organization's ongoing support
- Sponsor logo included in on-screen recognition during Tribal-ISAC monthly members' meetings, ensuring consistent visibility to attending members

## Website & Digital Visibility

- Company logo placement on the Tribal-ISAC website, recognizing your support of the mission
- Digital banner ad placement on the Tribal-ISAC website, increasing visibility to Tribal-ISAC members
- Digital banner ad placement on the TribalHub website, extending visibility across the broader tribal technology community

## Tribal-ISAC Community Engagement

# Tribal-ISAC Impact Sponsor

\$4,000 Annual Investment

Impact Sponsors serve as **community champions** of the Tribal-ISAC, helping expand participation by sponsoring membership for individual Tribal Nations. Their support strengthens and grows the Tribal-ISAC community, ensuring more tribes have access to critical cybersecurity resources, collaboration, and shared intelligence. This sponsorship level provides meaningful recognition across Tribal-ISAC communications and select community initiatives.

All Tribal-ISAC sponsorships are offered on a **twelve (12) month term** beginning upon sponsorship activation. All sponsorship benefits must be used within the applicable sponsorship term. Each sponsorship tier has limited availability to preserve the value, visibility, and engagement opportunities for participating sponsors.

## Tribal Community Impact

- Sponsor a Tribal-ISAC Individual membership for a tribe, expanding access to cybersecurity resources, collaboration, and shared intelligence

## Member Meeting Visibility

- Sponsor logo included in on-screen recognition during one Tribal-ISAC monthly members' meetings, ensuring consistent visibility to attending members

## Member Communications & Publications

- Access to *The Pulse: The State of Cybersecurity Within Tribal Nations* annual report (member-exclusive)

## Website & Digital Visibility

- Company logo placement on the Tribal-ISAC website, recognizing your support of the mission

## Tribal-ISAC Community Engagement

- One post on the Tribal-ISAC Community Discussion Board, supporting awareness and engagement with members
- One social media recognition highlighting your organization's support of Tribal-ISAC

## Events & Recognition

- Recognition signage at TribalHub Cybersecurity Summit and TribalNet Conference and Tradeshow

## Additional Sponsorship Opportunities

### Annual Tribal-ISAC Golf Outings

Every year at the TribalNet Annual Conference and Tradeshow and at the Annual Cybersecurity Summit, TribalHub hosts a golf event in support of the Tribal-ISAC. Learn more about opportunities to sponsor [here](#).

### One-Time Donations

Organizations may support Tribal-ISAC through a one-time contribution, helping to advance initiatives that benefit the broader Tribal cybersecurity community. While distinct from annual sponsorship, this option provides a meaningful way to participate in and support the mission. Make a contribution [here](#).
